My Dear Mr. Sreenivasaraju

I return the Enclosed about Policemen for Guarding prisoners

It will not be expedient to send the Special Reserve men in detached batches for the work But I can arrange to send

Letter No.2789-258 dated 7th Feby / 99 from the Inspector General of Police in Mysore.

In letter No.162 d. 16/12/98 Mr.Cameron asked for advice in the matter of employing a suitable guard for a gang of 50 prisoners to be employed inthe Palace gardens. In reply, Mr.Cameron was informed that the I.G. of Police could arrange to send 6 or more trained men from the City Police, but that substitutes would have to be appointed in their place, and that the Supdt. of Govt. Gardens, the Supdt, Central Jail and the I.G. of Police might do the needful in the matter.

The I.G.of Police in his No.2789-258 dated 7th Feby /99 reported that 10 Constables had been deputed for escorting 50 prisoners to the Palace, and requested sanction for entertaining other men in their place at a cost of Rs.84 per mensem, and enquired to what Department the charge should be debited. That letter is pending disposal.

Bills for the cost of guarding prisoners sent to the Palace and to the Dewan's Quarters are received in this Office every month from the Supdt., Central Jail, and are countersigned and sent to the Comptroller, the former being charged to the Palace and the latter to Govt. Even now such bills are being received, and it was not clear why a separate Police guard should be charged for. I therefore spoke to the Supdt, Central Jail, and have ascertained that during the time of the plague and owing to the want of Warders the Supdt. was compelled to stop sending prisoners to the Palace, and that upon this

the present correspondence arose. It would seem that for 50 prisoners 10 men are required as a guard, that this number is now supplied by the Police, and that the Jail authorities send 2 men of theirs to enforce Jail rules among the prisoners sent out. It is only the cost of the last mentioned 2 men that is charged for in the bills submitted by the Supdt., Central Jail. The present bills, it willbe seen, are for Rs.21 for 2 Warders. Before the Police escort was arranged for, the bills on account of the Palace used to range from Rs.75 to Rs.89, and that cost was debited to the Palace.It appears therefore that the cost of the Police now employed, viz, Rs.84 per.mensem, is chargeable to the Palace.

It has to be noted that the Plague Comr., in his letter No. 11074 dated 21st June 1899, says that 11 men at a cost of Rs.99 are employed in escorting prisoners to the Palace, while the I.G. of Police says 10 men at a cost of Rs. 84 per mensem.

Two questions are usually came up for orders in the way of Magisterial reductions — the 1st affecting the cost of the Police deputed to escort prisoners from the Central Jail for work in the Palace grounds and the 2nd the cost of the Police force temporarily sanctioned for the Bassourah & Malleswaram Extensions.

2. Para. 01 of 30th Sept. 1946 (para 3) I was directed that the Police forces kept in both the above questions be disposed both so as to relieve the Naga hills and the G.R.P. of Police has requested to draw - just from the Regl Police such force as may be req. for the duties in question.

The temporary Police force in the extensions has been

SIR,

In submitting herewith copies of 3 statements received from the Deputy Commissioner Bangalore District showing particulars of reductions proposed to be made in the Plague Police Establishment &c sanctioned for the Bangalore City and also in the Plague Establishment sanctioned for the District, I have the honor to state that I have approved of the reduction proposed by the Deputy Commissioner, with the exception of the provision made for 2 constables, which has been disallowed

2. As will be seen from statements A & C the total amount of reductions proposed comes to Rs. 3447, to which must be added the pay, viz 99 rupees, of the 11 Police Constables who are said to have been deputed to escort convicts from the Central Jail to the Palace for work connected with Plague Prevention and also the pay of the marginally noted

noted Police Establishment employed in the Malleswaram- and Basavangudi (otherwise called Sunkenhalli Outpost) Extensions, bringing the total amount of reduction to Rs. 365/- per mensem as shown in the margin.

3. As regards the deputation of the 11 Police Constables to escort convicts to the Palace, I have called upon the Deputy Commissioner to report the authority under which this was done. I consider however that the pay of these constables which is not a proper charge upon Plague funds should, from the date on which they were so deputed, be debited either to the Jail or to the Palace Budgets and accordingly request the issue of necessary orders on the subject.

4. With regard to the Police force employed in the Malleswaram and Basavangudi (Sunkenhalli Outpost) Extensions the Deputy Commissioner, while reporting the fact of his having made a separate reference through the Inspector General of Police for its permanent retention, suggests its continuance as a plague establishment until final orders are passed on the reference made by him.
